

Hi!

You don't know me but I've just paid for your order. No gimmicks - it's just something I felt like doing. I heard about people doing things for others on a radio station KLVV at 107.3 on the dial. They call it "The Drive-Thru Difference". Maybe you'll feel like doing it for someone else!

I hear KLVV loves to share the stories on the air. Their phone number is 1-800-324-8488.

I hope this encourages you today.

Signed,

The stranger in
the car ahead
of you
